Veterans' Day Parade

MATTAPOISETT HOSTS MARION & WAREHAM

The November 11th Tri-town Veterans' Day Parade, held this year in Mattapoisett, is hosted on alternate years by Marion and Wareham. The cold, blustery day brought out small groups of huddled watchers as the lively bands and marchers paraded by. At the reviewing stand on Water Street, bands and various marching units performed for the judges.

Chairman of the parade, John N. DeCosta, Commander of the Mattapoisett Florence Eastman Post 280, American Legion, announced

Following cataract surgery will I have to get a new pair of glasses?

Yes, you will need a new pair of glasses following cataract surgery. A major concern with most people, however, is will I have to be without my glasses while the new lens is being made. The answer to this concern is no. When you come into the office we can take the necessary measurements needed and get the lens blank surfaced to the new prescription. Then, in about 20 minutes we can grind the lens down to fit your existing frame. You will be able to walk out of the office with your new correction.

feel there should have been a bigger turnout to honor those who have served their country. We do appreciate and commend those who did turn out to watch the parade, especially on a cold, windy day, but sadly, there seems to be a lot of apathy in the country." Town's Wetlands to be Mapped

**MATTAPOISETT SELECTMEN'S MEETING
NOVEMBER 13, 1990-by VIRGINIA MORGAN**

"We will be in Mattapoisett mapping coastal and inland wetlands not at the invitation of the town, but by our own authority", Charles Costello of the Wetlands Conservancy Program said to the Mattapoisett Board of Selectmen last Tuesday in response to a question by Selectman Daniel O. Mahoney. Mr. Mahoney asked, "Are you here at the invitation of the town or the discretion of the Commissioner of the state Department of Environmental Protection, Division of Wetlands and Waterways?"

Mr. Costello proceeded to explain the program and the steps to be taken. "Last April 9, a Maine company took color, infrared photographs of Mattapoisett from 5,000 feet. The photos will look 3-D and will delineate the wetland areas and the types of wetland. This information will be placed

those parcels are targeted for protection in the form of a restriction order which is recorded at the Registry of Deeds.

"We are here to acquaint you with the Conservancy Program and our next step. We will be checking assessors' maps and names of landowners. We will be able to tell landowners how the wetland will affect their property. There will be informational meetings; going to people's property with their permission; then public hearings on the restriction orders."

Selectmen warned Mr. Costello to be prepared for a large attendance of coastal landowners, citing the recent Planning Board informational meetings when owners of summer homes became upset. Selectmen noted the larger auditorium at the ORR High School would be better suited for Mr. Costello's hearings. Mr. Costello said the hearings will probably be held in the summer months when the summer landowners will be in town.

Selectman Mahoney asked what is the difference between the town's Conservation Commission's order of conditions on building on wetlands and his program. Mr. Costello said the Wetlands Conservancy is not similar nor an enlargement of the Commission but is a pro-action program. Massachusetts has lost more than half of its wetlands, and the

Conservancy Program is part of the state's leading effort to prevent any further net loss of wetlands. It will prevent the filling or destruction of wetland areas. It will let the potential landowner know what he can do. The information will be available before filing a notice of intent which is required now by the Conservation Commission. at the Registry of Deeds. The restriction will list allowable and disallowable land use.

Mr. Costello said, "We have been working in Winthrop and Nahant, will now start in Mattapoisett and Westport and will expect to do Saugus and Revere next. This will be fairer to neighbors as they will have the tools to make decisions. Also, for tax purposes it will be helpful for tax abatements on unusable land. You will be hearing from us again in the spring, when we will want public input." He emphasized this is not a sinister plot to get more power for the Conservation Commission. He explained the information gathered and the aerial maps will be of help to the Planning Board and other town departments.

Visitors sitting in on the explanation of the Wetlands Conservancy Program were William A. Wood and Priscilla Thompson, interested residents.

In other business, Selectmen:

MET WITH two representatives of the Buzzards Bay Advisory Committee and agreed to sign a Buzzards Bay Action Compact. The towns of Bourne, Marion and Rochester have signed and other towns in the area will be asked to sign the compact supporting formation of a voluntary, regional organization of local governments

and agree to exchange information and ideas that will expedite the region's ability to implement sound environmental regulations and by-laws to protect and enhance our mutual resource - Buzzards Bay.

On Friday, December 14th, there will be a formal signing by the officials of the agreeing towns and New Bedford. Selectmen Chairman John DeCosta will attend and represent the board.

Dennis Luttrell, executive director of the Buzzards Bay Advisory Committee, and Seth Garfield of Gosnold explained the compact and asked that Selectmen place the compact for ratification on the annual town meeting warrant in 1991. This is not mandatory and selectmen preferred to take one step at a time and will defer to a later date whether to place an article in the town meeting warrant.

Selectmen accepted a map showing the sources of pollution on the coastline. Selectman Bernard F. Talty said this information and map should give support to the town's planning board in its plans to change zoning by-laws for summer homes near the coast.

Marion Village Waterfront

This two-story New England Contemporary, constructed in 1988 and designed by architect Claude Miquelle, was built to enjoy the beautiful views of the land and ocean, the privacy of a small seaside road and to enjoy the charming lifestyle of Marion's Village. The residence is situated on 23,394 sq. ft. of beautifully landscaped grounds. There are five bedrooms and five baths with two jacuzzis and approximately 3,300 square feet of living space. A well designed wrap around deck affords lovely views of the outer harbor and Buzzards Bay. Exclusively offered at \$725,000.

informed on the progress of the work. Before laying out significant dollars, we want your approval." Mr. Shepley told Selectmen the club anticipates the cost of \$5,500 for materials, with very little labor costs, most of which will be donated by club members. There will be no cost to the town. A knowledgeable person will be supervising the work. Mr. Shepley added.

Mr. Shepley explained the work will primarily be cosmetic and will replace all deteriorated wood, restore and refinish all painted surfaces and fill cracks in the concrete floor. "We will also redo the gold leaf on the weathervane and power-wash the ceiling to restore its original blue color." He added that the supporting columns have metal supports inside so there will be no harm to the roof. If the same aesthetic look would remain the same with materials other than wood, they would be considered for lasting qualities.

The major restorative work will be completed by Memorial Day 1991, with the balance accomplished prior to the annual Harbor Days celebration in July, 1991. Due to costs involved it may be necessary to defer completion to August, 1991, but in no event will it be later than mid-August, Mr. Shepley said.

When Selectmen suggested work needs to be done on the sunhouse at Ned's Point Veterans' Park, Mr. Shepley said this will be considered in the future but for financial reasons the club can only take one project at a time.

HEARD A REPORT from Selectman Mahoney on the wharf repairs and "what's happening on the wharf". He said there are two categories of repairs.

One category is the routine piling repairs that have been done over the years. The second is major repairs, such as sheeting, and grouting parts that have eroded. Most of the major repair work has been designed by John DeRuggeris on a voluntary basis for the Harbor Advisory Committee.

Mr. Mahoney said "we had to have a town meeting vote for major repairs". At the May 1990 town meeting \$15,500 was voted to be taken from the Enterprise Fund. As a result, the board voted to approve the work, subject to existing appropriations and licensing and permit approvals, based on information from the engineer, the harbor advisory committee and Steve Mach, harbormaster.

The pilings recently replaced by Tripp of Westport cost \$12,500. Because of the cost of the project the new Procurement Act should have been complied with by seeking

master on the new regulations. Based on legal counsel, "we have directed that the invoice from Tripp for funds not be paid. For that type of work, Tripp is probably the only company who would have bid on the job. We will look into how to pay Tripp, as we have a moral obligation for the town to pay for work done."

Selectmen voted Mr. Mahoney's recommendation that the advice of counsel be followed and put the issue to voters at the special town meeting. Money is there in the Enterprise Fund but it would require a vote of the town to pay the bill.

Selectmen noted a Special Town Meeting will not be held until January 1991 because of the holidays and time needed to prepare articles for the warrant.

ANNOUNCED THE board's decision on the relinquishing of a certain number of seats at Old Colony Regional Vocational-Technical High School. On October 16th the local members of the Old Colony District School Committee asked selectmen their feelings in releasing some of Mattapoisett's 140 slots so that Lakeville, now sending tuition students, could become a member of the district with 60 seats. Previously, school committee members Blanche B. Perry,

Vincent Worden and Robert Field differed with selectmen on the number to release - selectmen preferred a smaller figure.

At Mr. Mahoney's recommendation, Selectman DeCosta and Talty voted unanimously to suggest a compromise; namely, "Subject to the town of Acushnet relinquishing at least 30 positions at the Old Colony District, it is recommended that Mattapoisett relinquish 30 positions with the two towns in aggregate relinquishing 60 positions for Lakeville." It was noted all the towns in the district - Rochester, Acushnet, Carver and Mattapoisett, as well as Lakeville, would have to vote approval at town meeting for the changes.

Freetown, which shares a school district with Lakeville, has shown no interest in joining the Old Colony District and prefers to send tuition students. Also, Acushnet school committee members are not interested in giving up seats and the Acushnet Selectmen have not been asked, as of this date, Selectmen added.

Mr. Mahoney said he understands that Lakeville could go elsewhere for vocational seats and take away its tuition fees which amount to \$5,100 per student per year as opposed to \$2,700 for member students. The loss of students could be of education-

The creation of a new position would have to be discussed with the Finance Committee and Personnel Board.

MET WITH Evelyn Pursley, chairman of the Council on Aging, to discuss a letter sent to Selectmen last week by Edward Camara of Camara's Tours. Mr. Camara had made comments about the van trips and insurance coverage of volunteer drivers. He also questioned the listing of tour trips under the Council on Aging newspaper articles as advertising trips.

Mrs. Pursley explained there are two issues here - one is the council van which makes short trips, and the second is the longer commercial trips arranged by the Mattapoisett Touring Club.

She noted all volunteer drivers are covered by town insurance. Most drivers have

a Class II license, and those who do not will get them soon. Also, drivers either have CPR and First Aid training or will soon have the training.

Mrs. Pursley explained the state Department of Elder Affairs has directed the council to separate the Mattapoisett Touring Club from the council activities. She added that this change was voted at the November 13th Council on Aging meeting to separate the two activities. In the past the council office personnel had taken reservations and collected money as a courtesy to the seniors. As of now, the tour directors, Rose Roeder and Florence Huetteman, will handle all the calls and money.

Selectman Mahoney asked Mrs. Pursley the extent of the van use. She explained the van takes seniors to the nutrition site at Village Court five days a week, shopping on Fridays, takes voters to the polls, to the senior club meetings, and short trips, such as the Cape Cod Mall. The Mattapoisett Nursing Home residents are also taken to local places occasionally.

Among some of the services to the 1,500 seniors in Mattapoisett are the Outreach Program visiting town residents who are now in nursing homes and taking gifts on holidays, birthday cakes and cards to

eye talk

Q.

**Should I get my eyes examined every year?
How about my children?**

A. If you are over 35, in your teens or a school-aged child, you should have an annual vision examination.

Once every two years may be all you need if you are in your twenties and early thirties, unless your optometrist advises otherwise.

Parents should start their children off with a first vision examination by age three and again before entering school. Since vision may change rapidly during the school years, annual examinations make good sense.

After age 35, yearly optometric examinations are needed to detect eye disease signs early and to keep pace with changes in vision that occur naturally as we get older.

Recycled Paper

What is it? It's made from the waste paper from mills, homes, industry, businesses. Any printed paper must first be "deinked" to separate the contaminants. Only then can they be made into usable paper once again.

Why use Recycled Paper? Because a ton of recycled paper saves 17 trees, saves enough energy to power the average home for 6 months (4100 kwh), saves 7000 gallons water, saves 60 pounds of pollutants going into the air we breathe! And - saves at least 3 cubic yards of valuable (and fast becoming more so) landfill space. Last but far from least, many taxpayer dollars are saved which could go into efficient waste disposal costs.

Give these ideas some thought.

ALTERATIONS • SHOE REPAIR

The theme of the tour this year is furnished dollhouses and the clubhouse will feature an interesting furnished dollhouse exhibit. A reproduction of an Armand Massielle German doll will be raffled off. She is dressed in a white linen dress with "Mary-Jane" style shoes, and a burgundy velvet cape and bonnet. She is 36" tall and has been appraised at \$1500. Her name is Karen and the Sippican Woman's Club asks that her new parent give her the love and care she deserves. She is sitting in a rocking chair suitable for a young child. The chair is walnut stained and polyurathaned. Tickets for the raffle are \$1.00, or a book of six for \$5.00. These also are tax deductible. The raffle will take place at 4 p.m. on Saturday. Raffle ticket holders need not be present at the drawing.

Tickets for the tour are limited to 500, so advance purchase is suggested. They are available from any club member, and are on sale at the Marion General Store, the Sitting Duck, Beauty Craft, or by calling Judy Harrison at 748-2540.

THANKSGIVING DAY: Mass will be celebrated at 9:00 a.m. "Eucharist" means thanksgiving and so it is very fitting for our parish family to come together to celebrate. Coffee, juice and doughnuts will be served after Mass.

ADULT CHOIR: Rehearsals for the Christmas Liturgy will begin on Thursday, November 29th, at 7:30 p.m. We hope to see all former members and we extend a warm welcome to new participants. There will be only four rehearsals before Christmas.

CHILDREN'S CHOIR: There will be no rehearsal on November 24th. Rehearsals resume on December 1st from 9:00 to 10:00 a.m. for grades 2-6.

HIGH SCHOOL APPLICATION DAY: The Catholic high schools in the Diocese of Fall River will accept applicants and administer a Placement Examination for new students on Saturday, December 1st. Students wishing to enter any of these schools next September should report to the school of their choice at 7:45 a.m. The examination and application procedure will last until approximately 12 noon.

There will be a ten dollar fee, payable at the time of application. The students need bring no records with them, nor do

"Jews for Jesus" Speaker

TO SPEAK IN ROCHESTER

The Reverend George Taylor invites all to hear Steve Silverstein speak at the First Congregational Church of Rochester on November 25th at 10:30 a.m. Mr. Silverstein is the director of the Jews for Jesus organization's Boston Branch.

Jews for Jesus is an organization which proclaims that Jesus is the Messiah of Israel and Savior of the world. "What could be more Jewish than following the Messiah?" says Silverstein, who considers himself 100 percent Jewish and 100 percent Christian.

Silverstein had a traditional Jewish upbringing in New Jersey. His religious education ended with a bar mitzvah ceremony at age 13. At 15 he once again thought seriously about God and the meaning of life when his uncle died, and soon after, a close friend his own age died. In fact, it was at his friend's funeral that Silverstein heard and believed that Jesus was the promised Messiah.

At 18 Steve Silverstein enrolled at Nyack

College in New York, and two years later received an enabling scholarship from Jews for Jesus to complete his undergraduate Bible training at Northeastern Bible College in Essex Fells, New Jersey. He received a B.A. in Bible and was ordained in 1983. In 1988 he enrolled in a post-graduate summer program which led to an M.A. in Missiology with concentration in Jewish Evangelism/Judaic Studies from the Fuller School of World Mission in Pasadena.

Silverstein officially joined the staff of Jews for Jesus in December of 1978 but he had been a volunteer at the organization's

The Jews for Jesus organization was founded by Moishe Rosen, a Jew who has believed in Jesus for over 35 years. Dr.

Rosen is quick to point out that he did not "start" Jews of Jesus. "Jews for Jesus began about 2,000 years ago, around 32 C.E., give or take a year. Jesus' first disciples were Jewish, and there have been some Jewish people who have believed in him ever since." The organization has permanent North American branches in San Francisco, Los Angeles, Chicago, Toronto, Boston, New York City and Washington, D.C., with over seventy chapters spanning some thirty states.

To Silverstein and other Jews for Jesus, believing in Jesus makes sense in light of the Jewish Bible and in light of their experiences as "believers". For those who argue that Christianity contradicts the meaning of Judaism, Silverstein said there are answers which he will be happy to discuss

When Mr. Finley came to our school to talk about poetry, we were all pretty excited.

Mr. Finley read us a few poems that he wrote. He also told us about a poet named Philip Larken, who wrote First Light. The poem was about a lamb that just had his first sight of the world.

Mr. Finley told us that he got some of his ideas for his poems from events that

Financial aid is a critical issue for all students contemplating post-secondary education. Students may qualify for aid for further education at a trade/technical school, community college, junior college or four-year college or university. All families are encouraged to apply for financial aid. It is almost impossible to predict how this process may affect the students and the decisions which need to be made in the next few months.

Filling out the forms correctly can eliminate delays which might jeopardize aid packages. The Financial Aid Forms (FAF) will be available at this meeting and in the Guidance Office during school hours in December, January and February. Each family, however, will only be issued one copy of the FAF due to supply limitations.

The Guidance Department and Administrators urge senior parents to set aside the evening

Rededication of "Lower Harbor"

BY LEMUEL D. ELDRED

A ceremony and reception will be held Saturday, November 24th, at the Millicent Library from 2 to 4 p.m. The ceremony, sponsored by the Fairhaven Improvement Association, is for the purpose of rededicating the painting to the Town of Fairhaven. The painting, "Lower Harbor", by 19th Century artist Lemuel D. Eldred of Fairhaven, was originally dedicated to the town in 1894 and has been on permanent display in the Town Hall to the present day. The work of art has now been completely restored and preserved to its original splendor through the efforts of Albert F. Benac in conjunction with the Fairhaven Improvement Association and the Massachusetts Arts Lottery Council. Mr. Benac will deliver the introductory remarks. Myra Lopes, president of the Fairhaven Improvement Association, will make the presentation of the painting to the Board of Selectmen. A reception will follow. The painting will again hang in the Town Hall, appropriately placed.

Student Government Day

In conjunction with the 44th Annual Student Government Day Program, a school-wide election was held at Old Rochester Regional High School on November 6th. Doug Ziewacz was elected school delegate and Dianne Gayoski was chosen alternate.

Both students will attend a regional workshop in December and prepare a legislative petition. In January they will travel to the State House and be assigned a government role in the Glass Bowl Drawing Workshop. Finally, on April 5, 1991, they will participate in their designated role in Student Government Day, when students assume control of the state government for the day.

ACTIVITIES WITH THE ELDERLY

The A.W.E. (Activities With the Elderly) Program has begun for 8th grade students at Old Rochester Regional Junior High School. This year the focus is on bowling with the elderly. Once a week a group of three students go to the Mattapoisett Nursing to assist in their bowling program.

Approximately 30 students are involved in this program which allows each student

Teachers may have their students send
letters to our servicemen and women at
no cost. It would be a great uplift to the
students as well as our servicemen to let
them know that we at home are thinking of
them.

This could be extended as a writing exer-
cise in the classroom. All postage for
these letters and/or cards will paid for by
the Middleborough Trust Company.

Write the letter and deliver it to any

N.B. Assembly Association

Four young Greater New Bedford women will be presented at the 113th Assembly of the New Bedford Assembly Association Saturday evening, November 24th, at White's in Westport.

The assembly is one of the oldest in the country dating back to pre-Civil War years. The invitational white-tie party will begin with dinner, to be followed by the presentation at 9:30 p.m. The young women, all wearing long white gowns and gloves and carrying long stemmed red roses, will be escorted into the ballroom by their fathers and their individual special ushers. They will pass through an aisle formed by the corps of ushers to the waiting patronesses,

Victorian Christmas

HOLIDAY FUND-RAISING GALA

The week-long series of Christmas events
taking place at the Rotch-Jones-Duff House
and Garden Museum commences on Friday,
December 7th, at 6:30 in the evening with
the Sixth Annual Holiday Preview Party.

This year's theme of Christmas with the
Jones Family: A Victorian Celebration will
find the Museum decorated as it might have
been in the year 1861 - the first year of
the American Civil War.

On this festive evening, members of the
Edward Coffin Jones family will be por-
trayed by living history actors. Battery
"B", Rhode Island Light Artillery Company
will also be present with uniformed Union
soldiers along with their ladies dressed in
ball gowns of the period. Music for the
evening will be provided by members of the
D.C. Hall Quadrille Band.

Delicious hors d'oeuvres and fine wines
will be served.

Annual Holly Days

It's the time of year for Massachusetts
Audubon's Ashumet Holly and Wildlife
Sanctuary to haul out the holly for the an-
nual Holly Days sale. Sixty-five varieties
of holly trees grow at the Sanctuary. This
holiday season you can once again purchase
holly from Ashumet to deck your halls.

Holly Days take place Friday, November
30th, through Sunday, December 2nd, and
Saturday and Sunday, December 7th-8th,
from 10 a.m. until 3 p.m. Fresh cut boughs,
swags and wreaths, along with hand-crafted
gifts made by local craftspeople, will all be
on sale.

The festive event is sponsored by the
Friends of Ashumet volunteers and Cape
Cod area garden clubs. Visitors can com-
bine their holiday decoration shopping with
a walk through the trails on the 45-acre
sanctuary. Early winter is the peak season
for color on the over 1000 holly trees on
the site, which include both American and
Oriental varieties with yellow, orange and
red berries.

Admission to Holly Days is free and re-
freshments, including hot mulled cider
and chowder, will be served. The Sanctuary

MINORITY BUSINESS FAIR

Five members of Old Colony Regional Vocational-Technical High School's Non-Traditional Careers organization attended a Minority Business Fair on October 25th. The Fair, sponsored by the Massachusetts Housing Finance Agency, was held at the Regency Towers in New Bedford.

Attending were group president, Cheryl Benner, a Rochester resident and student in Old Colony's machine department; vice-president Kerri Dubuc, a Lakeville student enrolled in the drafting department; Carrie Russell of Rochester and Missie Carney of Lakeville, both drafting students; and Sheryl Wagner, an Acushnet resident studying electricity.

The students toured the booths and discussed career opportunities with many of the presentors. Of special interest was the display sponsored by the National Association of Women in Construction, a local chapter which is planning a Career Day in cooperation with Old Colony High School.

NAMED TO ALL-STAR TEAM

A Mattapoisett resident was among student athletes at Old Colony Regional Vocational-Technical High School selected to various Mayflower League All-Star Teams for

the fall season.

Jason Torres was selected to the Cross Country All-Star Team as a result of his strong efforts during the 1990 season. Jason is a freshman in the drafting department. Jason was recognized for his selection at Old Colony's Fall Sports Banquet held November 15th. The Cougars' cross country team is coached by Jo-Anne Canastra.

FINANCIAL AID NIGHT

On Tuesday, November 27th, at 6:30 p.m. Old Colony Regional Vocational-Technical High School will host a Financial Aid informational meeting for parents of senior students. Representatives from the Educational Opportunity Center, as well as a local bank, will be present to explain the

financial aid process and to answer questions. The proper completion of the complicated FAF form will be reviewed. In addition, information concerning local scholarship programs will be presented.

Anyone interested in additional information about this meeting or needing assistance in completing any financial aid forms is urged to contact the Old Colony guidance office by calling 763-8011, extension 26.

FALL LEADERSHIP CONFERENCE

Recently officers and advisors of the VICA Chapter at Old Colony Regional Vocational-Technical High School participated in the fall leadership conference. The three-day conference was held in Fitchburg, MA.

America) is a national organization which sponsors Skill Olympics at the local, regional, state, and national levels. Local competition is scheduled to begin in January.

During the conference the officers were trained in parliamentary procedures and organization. The participants were divided into teams. These teams competed against each other in projects and the earning of VICA Leadership Awards. Through the competition and workshops the students learned the concepts of leadership and co-operation.

The participants were: Susan Serra, Susan Kallio, Dawn Couto, Beverly Connor, Kristen Lee and Jon Hardy.

Old Colony students have been most successful in the skill olympics over the years. Last year students received gold medals in local, regional, and state competitions. Last June two Old Colony students, Jason Casmira and Caprice DiTullio, represented Massachusetts in the national competition. This year the V.I.C.A. students hope to send even more representatives to the nationals in Louisville, Kentucky.
